

Kevin E. O'Brien

Chief Business Officer

Kevin is Orbital Insight's Chief Business Officer. In his role, Kevin leads all commercialization strategy and activities for the company, as well as managing strategy, financial oversight, and, reporting.

He brings more than 20 years of international experience in financial services and technology to his current position, including the development, launch, and exit of several successful companies.

Prior to Orbital Insight, Kevin was the Regional Director for the Americas, Global Banking & Brokerage, for FactSet Research Systems, Inc. Kevin joined FactSet in conjunction with the acquisition of Revere Data, LLC, where he was President and CEO. Previous to that, he was Founder and CEO of Gradiance, Inc.. He started his career at Reuters Group PLC (now Thomson Reuters). Originally trained as a software engineer, Kevin earned a BBA in Management Information Systems from James Madison University, and an MBA in Innovation, Strategy & Information Technology from the EDHEC Business School in Nice, France.

Kevin resides in San Francisco with his family and has completed the Escape from Alcatraz Triathlon six times. He also serves on the Board of Honoring the Path of the Warrior, a veterans support organization, and on the Board of Governors for Alumni for the EDHEC Business School.

About Orbital Insight

Orbital Insight develops geospatial data analytics to help its clients unlock societal and economic trends at a global scale. We source petabytes of satellite, drone, balloon and other unmanned aerial vehicle (UAV) data. Using computer vision and machine learning technologies, we process and transform this data to enable businesses, governments, and NGOs to make better decisions.

Learn why Fast Company voted us one of the most innovative companies in 2017 and 2018 at www.orbitalinsight.com.
